Spiritual Care

Grace Hospice spiritual care provides the peace and foundation for new or renewed connections. These connections may evolve into a deeper understanding of what is important in relationships with God and family. Individual spiritual points of view are maintained, regardless of religion or cultural background.

Bereavement Care

The grief journey for each person is as unique as the individual themselves. We continue to offer our bereavement services throughout the first 13 months after your loved one's passing.

and grace*

Grace Hospice care encircles you with comfort, pain management, honesty, and respect for your decisions. Fostering peace and grace, we emotionally and spiritually support you and your loved ones.

Grace Hospice is a faith-based non-profit organization bringing hospice care to patients in the environment that best fits their needs. Grace Hospice has been developed through a partnership with Cassia, an Augustana Elim affiliation, and Mount Olivet Careview Home.

The mission of Grace Hospice is to serve God by recognizing that every person deserves to live out his or her life with respect and dignity, free of pain, and in an environment that promotes quality of life.

peace

Beyond health and personal care, special services improve well-being and quality of life.

Music Therapy: Music creates peace at the moment, but more importantly, it creates precious memories.

Massage Therapy: A gentle, intentional touch that replaces anxiety, pain, and fear with peace.

A Touch of Grace: making wishes come true

A Touch of Grace program celebrates the moments we have by giving people the opportunity to enjoy special requests.

Volunteers

Volunteers comfort you and your family with companionship, a calming presence, and the peaceful little extras.

Legacy Letters

Patients can choose to have a Legacy Letter written to share their love, hopes, dreams, and blessings with family and friends, creating a cherished gift.
