

WHY PLANNED GIFTS ARE NEEDED AND HOW THEY HELP

By making a planned gift for Mount Olivet Church and its affiliated ministries, you express your faith in a meaningful way, perpetuate your values and set an example for your family and friends. Your gift will have an impact for years to come and inspire others.

The Mount Olivet family is grateful to the generous people listed in this brochure, now saints in Heaven, whose planned gifts of all sizes have left a legacy for future generations. We benefit from that legacy today.

Mount Olivet Church and each of its affiliated organizations have an Endowment Fund invested under the watchful guidance of the Mount Olivet Investment Committee. Earnings are used to enhance a variety of programs, capital expenditures, and unbudgeted needs. The endowments, however, do not replace the need for annual giving.

In addition to helping grow the Endowments Funds, planned gifts for Mount Olivet Church, as examples, have assisted mission congregations, purchased books and other supplies for the library, added support for outreach programs and the radio ministry program, and provided the foundation for capital campaign building and renovation projects. Planned gifts are also important in balancing the church's annual budget.

The Cathedral of the Pines Endowment Fund provides financial support for many young people in need so they can grow in their faith by attending our inspiring summer camp. Undesignated planned gifts help support the annual camp maintenance expense.

At Mount Olivet Home and Mount Olivet Careview Home, planned gifts have supported programs like the new communication system that keeps residents in direct contact with staff. Planned gifts have provided the foundation for numerous renovation campaigns including the kitchen, physical therapy department and other common areas. Every year, qualified staff receive scholarships from the Endowment Fund to further their education. A recent planned gift to Mount Olivet Rolling Acres helped establish the on-campus assistive computer lab. The Mount Olivet Retreat Center upgraded technology services for guests thanks to a planned gift.

- Please send me information on estate planning and charitable gifts.
- I have named Mount Olivet Lutheran Church or one of its affiliated organizations as a beneficiary in my will. Please add my name to Mount Olivet Vision Partners.

For more information, contact Mari Carlson at 612.821.3150 or mcarlson@mtolivethomes.org.

Edwin and Edith Norberg were active and loyal members of Mount Olivet Church for many years. As the director of music for 17 years, Edith was passionate about her work. Edwin, an astute businessman, knew the importance of estate planning.

Edith died in 1978 and Edwin lived another five years without his beloved wife. When Edwin died, specific bequests in his will were given to Mount Olivet Church, Mount Olivet Home and Mount Olivet Rolling Acres.

In addition, the Norbergs established a charitable trust that provides quarterly gifts to church, Cathedral of the Pines and Mount Olivet Rolling Acres among other charities. The Norbergs designated their church gift for the handbell choirs. Their camp gift benefits the scholarship fund. Their gift to Mount Olivet Rolling Acres supports music activities and programs.

The Norbergs' gifts from their trust began when Edwin died and have provided about \$6,500 annually over the past 25 years for music programming and helping needy children attend Cathedral of the Pines. The best part is that their gifts will go on in perpetuity!

See back for other ways people have left a legacy.

In the early 1970s, Edwin and Edith Norberg enjoyed staying at the Imperial Hotel in Vienna, Austria. The Norbergs left a lasting legacy in the Mount Olivet family and we are most grateful!

LEADING BY EXAMPLE

LEGACY GIFTS GIVEN TO THE MOUNT OLIVET FAMILY

MOUNT OLIVET LUTHERAN CHURCH
