## Mount Olivet Careview Home ...

offers 24-hour skilled nursing care to individuals who require long-term care. Our facility is part of a continuum of care community that includes adult day care at Mount Olivet Day Services and semi-independent living at Mount Olivet Home, which is located in an adjoining building.

To enhance each resident's quality of life, individual health-care, social, and spiritual needs are taken into consideration to develop a comprehensive, personalized plan of care.

*“You have entrusted your loved one to our care, and we take that very seriously.”*

## Memory Care

Mount Olivet Careview Home offers secured memory care for residents coping with late stages of dementia or Alzheimer's disease. In addition to the skilled nursing care and services provided, specialized life enrichment activities are offered to residents in the memory care unit which address cognitive, physical, emotional, social, and spiritual needs.

## Transitional Care

Mount Olivet Careview Home offers a Transitional Care Unit (TCU). This program is located in a distinct, separate unit with a private dining room and lounge. The program offers quality nursing care and daily therapy for patients who are transitioning from the hospital to home.
