

Christmas 2019

Dear Friend and Supporter,

Anticipation abounds at Mount Olivet Careview Home with our hopes and dreams of building a portico on the 55th Street entrance. This much-needed covered entrance will provide our 150 residents and transitional care patients with protection from the weather as they come and go from appointments and outings. In addition, everyone will appreciate a driveway and sidewalks without curbs to make it easier to move with wheelchairs, walkers, and canes.

Our goal is to provide the highest quality of care to the people we serve and that includes a safe, convenient, and welcoming entrance for them, their families, and visitors. A beautiful new landscape will enhance the portico. The cost is projected to be \$350,000.

At Mount Olivet Day Services, our children and seniors need indoor and outdoor play equipment, enhancements for intergenerational activities through music, art, and recreational activities, iPads, support for the Spanish program and yoga classes, and scholarships for adults in need who would benefit from extra days of stimulating activities and fun.

Your generosity will make a difference in the lives of our seniors and children. Gifts of all sizes are needed and appreciated. There are many ways to give, so call us at 612.821.150 to learn more. We would love to hear from you!

With heartfelt appreciation,
