- 9 / Sue V
- 19 / Ruth S
- Paul N
- 21 / Carolyn L
- 13 / Francis D
- 24 / Jane Q
- 14 / Mildred G
- 29 / Daniel B

Thank You to the Air National Guard

We had the Air National Guard 133rd – Airlift Wing Maintenance Group on site to play Cribbage with our residents on February 29th. Our residents who enjoy playing cribbage were appreciative of the opportunity to enjoy a few games. The team from the Air National Guard enjoyed their time and have indicated that they would like to make visits to Mount Olivet Careview Home a regular event on their calendar!

HAPPENINGS

Mount Olivet Careview Home & Mount Olivet Home

Mount Olivet Resident Artwork Displayed at the Minnesota State Capital

Mount Olivet Careview Home is a member of Leading Age Minnesota, a network of mission-driven organizations serving older adults in all the places they call home. Leading Age Minnesota provides long term care facilities with education, training, and government advocacy.

Wednesday March 20 was Leading Age Minnesota's annual Day at the Capital. As part of the Day at the Capital, Mount Olivet Careview Home was selected to share and display our residents' artwork at the state capital for the event. Thank you to Leading Age Minnesota for providing our Mount Olivet Careview Home resident artists with an opportunity to share their art with others.

The Chapel was full on Friday, March 15th for facility wide prize bingo. Residents had the opportunity to win prizes and have fun with one another. Facility wide bingo is one of the most popular events that our residents look forward to.

Our Friend Obie Continues to Make Friends

The Minnesota Department of Human Services approved Mount Olivet's request to fund a quality improvement initiative focused on range of motion and therapeutic recreation. We chose to use part of these funds to purchase Obie, a mobile, interactive projector that gets our residents moving while having fun! This state-of-the-art technology brings fun and entertainment to the residents while helping to improve their overall range of motion. Obie continues to make his way around the building under the direction and help from Therapeutic Recreation Staff.

HAPPENINGS

Mount Olivet Careview Home & Mount Olivet Home

Intergenerational Programming

Intergenerational programming is so important to the residents of Mount Olivet Careview Home.

They enjoy the interactions with young people from the community. For years, the Mount Olivet Careview Home residents have enjoyed visits and programs with the Confirmation aged students from Mount Olivet Church. On March 18th, the Zoomobile from the MN Zoo was present for the Adopt a Grandparent Program. Young and old alike had a fun time. Thank you to the young people of Mount Olivet Church and the MN Zoo Zoomobile staff for your visit with our residents.

In addition to the Adopt a Grandparent Program, Mount Olivet Careview Home residents enjoyed time with middle school students from Minnehaha Academy who visited on March 18th and 19th as a part of their community service week. The students spent time playing cards and participating in music programs with our residents. A big thank you to the youth from both organizations for helping to enhance the quality of life for our residents.

Staff Recognition

In March we recognized our team of Social Workers as March is National Social Work Month. Thank you to our Social Workers, Michelle, Julie, Liz, Drew, Tammy and Brandi for all the support you provide to our residents and their families.

We also recognized our Clinical Dietitians, Maddi and Alicia on National Registered Dietitian Nutritionist Day on March 13. Thank you for keeping our residents healthy, strong and well fed.
