Support the Caring Fund

In spite of the stressful times we are all experiencing, our mission and commitment to our seniors has not changed. We provide the highest quality care possible for the people we serve at Mount Olivet Home and Mount Olivet Careview Home! The COVID-19 crisis has led to big challenges, and we need your support more than ever!

Keeping our residents connected to family and friends is so important. With group programs cancelled, technology has become the new connector! Our staff is using iPads, computers, and cell phones to keep our residents and families connected, entertained, and learning. Our therapeutic recreation staff is working hard to make Face-Time and cell phone calls for everyone. Unfortunately, we only have a few iPads for our 250 residents. We need more!

We are grateful to our entire team of caregivers, from nursing and activities staff, to the housekeepers and maintenance team. They connect with residents on many levels. We would love to offer them an occasional treat—a soda, a donut, a bus ticket or other “thank you”—to show our gratitude for doing their part during this crisis.

People have asked how they can help. Many are suffering in our community, so we hope you will take this request in context of our knowing that there are a plethora of needs. If you can make face masks, drop off items on the wish list, or send a small gift, we thank you warmly. Use the enclosed envelope or go online to mtolivethomes.org and click donate. Your prayers make a difference, too. Email mcarlson@mtlivethomes.org or call 612.821.3150. Thank you!! God bless! Be well!

The Development Team—Mari, Jennifer, Tyler

If you purchase on Amazon, remember to check AmazonSmile. Mount Olivet Careview Home is a qualified charity. Thanks!
