## C'mon Barbie! Let's Go Party!

Each month Therapeutic Recreation, Culinary & other departments create a party for all the Residents on both floors both Mount Olivet Home & Careview Home! This month will be all about the colorful movie, and the hubbub surrounding Barbie since her journey to celebrity status!!

Throughout the movie, Barbie and Ken are having the time of their

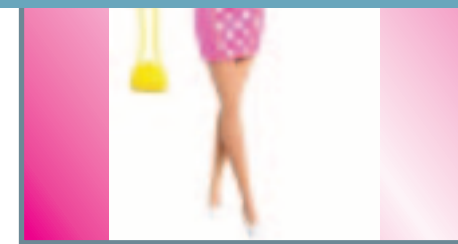

living among humans. A heartfelt production to which that all ages relate.

projector delivers to those with cognitive challenges and their care providers. The Tovertafel's interactive light projections are scientifically proven to improve quality of life for people living with cognitive challenges through games, puzzles, music, movement & creative activity. Mount Olivet is proud to have this technology available for our residents located in their new Rec Room.

"The Residents think the Tovertafel is magic! The laughs, smiles, and looks of amazement are evidence of joy. The Rec Room and the Tovertafel have been absolute gifts and we get to see the benefits of both every single day!"
