## Family Night BBQ Fun!

Perhaps it was one of the hottest nights of the summer but that certainly didn't stop families & friends from attending our Mount Olivet Careview Homes Family Night BBQ! The lines were long, but the good memories will last far, far longer. Thank you to staff, volunteers, Residents

## C'mon Barbie! Let's Go Party!

Each month Therapeutic Recreation, Culinary & other departments create a party for all the Residents on all floors both Mount Olivet Home & Careview Home! This month will be all about the colorful movie, and the hubbub surrounding Barbie since her journey to celebrity status!!

Throughout the movie, Barbie and Ken are having the time of their

living among humans. A heartfelt production to which that all ages relate.

**C'mon Barbie! Let's Go Party!** will be held Thursday, November 21 at 3:00pm in the Chapel. Families are always welcome to join us for any programs and/or parties - please be sure to contact Brenda [bhlarson@mtolivethomes.org](mailto:bhlarson@mtolivethomes.org) 612-821-3175 with your RSVP! We will also be displaying Barbie Dolls (and, well, okay...Ken) across the years! If you are able to contribute to our exhibition we would be forever grateful!

## Tovertafel

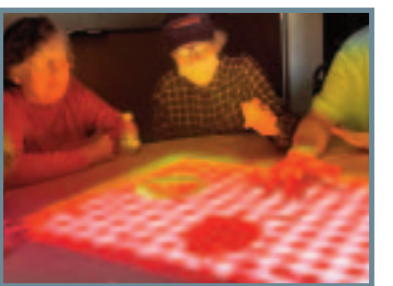

Mount Olivet Home residents are enjoying time with the new Tovertafel Projector. In Dutch Tovertafel means "Magic Table" and magic is what the projector delivers to those with cognitive challenges and their care providers. The Tovertafel's interactive light projections are scientifically

proven to improve quality of life for people living with cognitive challenges through games, puzzles, music, movement & creative activity. Mount Olivet is proud to have this technology available for our residents located in their new Rec Room.

"The Residents think the Tovertafel is magic! The laughs, smiles, and looks of amazement are evidence of joy. The Rec Room and the Tovertafel have been absolute gifts and we get to see the benefits of both every single day!"

~ Kevin Route, Memory Care Recreational Therapist CV2
