A Tasty Start to Summer!

Friday, June 13th was a sweet and savory morning for residents on the 3rd floor memory care at Mount Olivet Home. They kicked off their day with a special breakfast featuring warm, fluffy Belgian waffles, eggs, and crispy bacon — a truly delightful way to start the day! The summer fun continued June 20th, when residents from the 4th and 5th floors of Careview rolled up their sleeves for a hands-on treat: making “No Bake, No Sweat” fruit pizzas! These refreshing creations were the highlight of their summertime social and the perfect way to celebrate

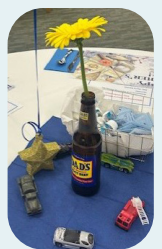

the first official day of summer — with flavor, fun, and plenty of smiles.

Father's Day Open House

On Saturday June 14th hosted an open house to honor the father's, grandfather's, uncles' s, and special men who are residents at Mount Olivet Careview Home with a special Father's Day Open House.

Family members and friends brought residents to the Lund Chapel for entertainment and a menu which included cinnamon rolls, bacon, juice, and coffee. It was a great time to celebrate some special men in our lives.

Summer time! OUTINGS

Reeling in Summer Joy — One Cast at a Time!

Nothing says summer quite like a peaceful day of fishing on the lake! Residents of Mount Olivet Home are reeling in the fun this season thanks to the incredible partnership with Let's Go Fishing — an organization dedicated to creating unforgettable outdoor experiences for seniors, veterans, children, and people with disabilities.

Founded in 2002 by Joe and Carolyn Holm in Willmar, Minnesota, Let's Go Fishing began with a simple but powerful vision: to restore the joy and freedom of being on the water — all at no cost to participants. Since then,

the program has grown to 17 chapters across Minnesota and Wisconsin and has served over 200,000 individuals.

Our local Eden Prairie chapter launched in 2012 with just one pontoon and no docks. Fast forward to today — they now operate two pontoons, complete with docks, lifts, and storage sheds. In 2024 alone, they helped over 4,000 participants get out on the water.

Thanks to their dedication, our residents are enjoying sunny skies, gentle breezes, and the thrill of a tug on the line, a true highlight of the summer!

A Wildly Fun Day at the Zoo!

Residents from Careview 3 and 5 had a roaring good time on a summer outing to Como Zoo! Joined by dedicated staff and volunteers, they spent the day exploring the exhibits and enjoying up-close views of gorillas, tigers, polar bears, and many more fascinating creatures. The sun was shining, the animals were active, and the smiles were endless — it was the perfect summer day to connect with nature and each other.

OUTINGS

Smooth Sailing on the St. Croix

For many summers now, residents of Mount Olivet Careview Home have looked forward to the scenic river cruises departing from Stillwater. Thanks to the support of our Mount Olivet Gala's Fund-a-Need initiative, we are able to continue offering this special experience at no cost to our residents.

Each month during the summer, different resident groups set out to enjoy the peaceful beauty of the St. Croix River. In June, residents from the 4th floor Careview took their turn. While the skies were a bit cloudy and the temperatures cooler than expected, the smiles were warm and the lunch delicious, making it a memorable day on the water for all who attended.

Here's to more breezy, joy-filled summer adventures still to come!
