## The State Fair Event is just around the corner!

Mount Olivet Resident and Family State Fair Day is Thursday **August 21st from 2-3:30pm.**

This event has been a highlight for both residents and family members in the past couple of years and we encourage you to come and spend the afternoon with your resident loved ones. Enjoy live music, classic cars, petting zoo, tattoos, facepainting, and of course all the delicious State Fair Foods.

We look forward to seeing you at Mount Olivet Careview Home's very own State Fair right here on 55th and Lyndale.

## New Hallway Artwork

***Thank you to the family of former Mount Olivet Careview Residents Ernie and Bernice Spande*** for the donation of the art piece titled "Alone We Are Good and Together We Are Better". The artist is Dan Weinand who has a studio in northeast Minneapolis. The Spande's both celebrated their 100th birthdays and 75th wedding anniversary at Mount Olivet.

*The artwork is located on the first-floor hallway at the top of the ramp.*

## Staff Updates

Welcome to **Amy Western, RN** our new Nurse Manager for Careview 4 south and 4 west. Amy is originally from South Florida and moved to Minnesota in 2017 to pursue a career change from classical music to healthcare. After completing prerequisite courses and working in various health care related fields, Amy graduated from Metropolitan State University's Entry Level Master of Nursing program. She has since worked as a RN in Med/Surg at Regions Hospital in St. Paul and in Case Management. She lives with her husband and 2 year old daughter in St. Paul. ***We are happy to welcome and have Amy on Careview 4th floor!***

Oh, the weather outside is frightful  
(hot and steamy)

But here inside is so delightful  
(cool and comfortable)

And since we've no place to go  
Christmas in July is the way to go

Residents on Careview 4th floor enjoyed celebrating Christmas in July. In the presence of a decorated Christmas tree, and fun with friends, residents competed in a Christmas Present Stacking contest, Christmas caroling, and Christmas refreshments including red, green and white caprese salad, Christmas cupcakes and Christmas punch. Careview 4th floor was full of holiday cheer on July 25th.

Although the temperatures were extremely hot in the 90's, and the air quality wasn't very good because of the Canadian wild fires, the summer cookouts hosted by the Therapeutic Recreation department continued so residents could enjoy grilled burgers and all the fixings prepared on the Careview patio grills. These special lunches are always appreciated by our residents.

## Pet Visits

We have all heard about the health benefits of pets. Studies have shown that interacting with pets can lower blood pressure, reduce stress, anxiety and even decrease the risk of heart disease. Pets can also combat loneliness and depression. Our residents enjoy the many pets that visit here regularly and bring so much joy.

Even Loki, our resident Bearded Dragon is a source of joy for some of our residents.

Family members are encouraged to bring their pets (who are up to date with vaccinations) in to visit their loved ones. If you would like to volunteer to bring your pet in to visit other residents, please contact Laurie Hancer our Volunteer Manager for more information. Laurie can be reached at 612-821-3232 or [lhancer@mtolivethomes.org](mailto:lhancer@mtolivethomes.org)

## Celebrating the 4th of July

To celebrate the 4th of July there were many special events and activities which took place around the building. A special July 4th Worship Service was held in the Lund chapel. The service included many patriotic hymns and songs. In addition we honored residents who have served in the military with a featured performance by our resident bell choir!

An afternoon of Patriotic BINGO was a fun way to celebrate the holiday along with residents decorating their walkers and wheelchairs to show their patriotic spirit.
