Staff Updates:

Hello, my name is **Max Hussin**, and I'm excited to join CV 3/5 as the new Nurse Manager. I have been a nurse for 5 years, with the past 3 years spent here at Mount Olivet Careview Home on the Transitional Care Unit. Caring for residents and supporting families has always been my passion, and I'm grateful to continue that work in this new role. Outside of work, I love spending time with my family and staying active by and training in Brazilian Jiu Jitsu and running. I look forward to getting to know each of you and working together to provide the best possible care for your loved ones.

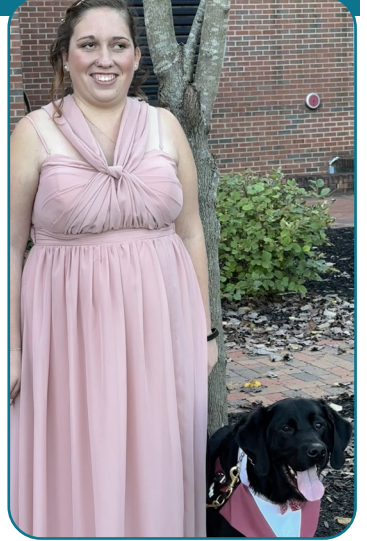

Hi, my name is **Oprah Paintsil**, and I recently joined Mount Olivet Homes as the Assistant Director of Nursing and Infection Preventionist. I am a Registered Nurse and have several years of nursing experience in skilled nursing and transitional care, as well as in behavioral health and chemical dependency. I have also stepped into leadership roles as a nurse manager and interim Director of Nursing. Outside of nursing, I enjoy spending time with my daughter, cooking, traveling and participating in my church choir and activities.

I enjoy every opportunity to learn and expand my knowledge base and pride myself in that fortitude. I am truly excited to be a part of this community and look forward to building strong relationships with both residents and families and being a resource for ensuring our residents receive the highest quality of care.

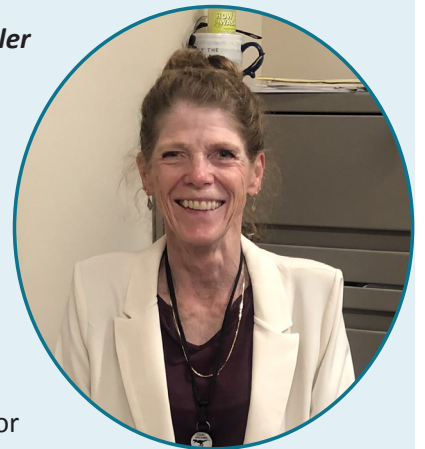

Hello, my name is **Taylor Clarke-Vandermark**, and I have just finished my senior at Austin Peay State University in Clarksville Tennessee. I am completely blind, and I have a 75 pound black lab golden retriever mix name **Trooper**. He has been my guide dog for four years. My main instruments are voice and guitar. I also play a little bit of piano. I have been studying to become a music therapist for the past five years. I have had both classical and commercial training in voice, and my preferred genres of music are country, classical, a cappella and some pop. I look forward to sharing my enjoyment of music with all of you.

Picnic at Minnehaha Park

Mount Olivet Careview Home 3rd and 5th floor residents enjoyed a stop at the Golden Arches on their way to Minnehaha Park for a McDonald's lunch, followed by a stop at the Dairy Queen for a Dilly Bar dessert. It was a beautiful warm fall day for a picnic at the park.
