Mount Olivet Careview Home Olympics

In the spirit of the 2026 World Olympics, Mount Olivet Careview Home celebrated with their own Olympics on February 18th. The Mount Olivet Careview Home Olympics included a torch lighting ceremony with the torch being carried by 3 residents down the first floor hallway to the Lund Chapel

for the torch lighting. Residents were able to compete in a number of "sports" including box hockey, Olympic Rings bag toss, snowball toss, and pass the torch, Italian ice treats were served to the participants. It was an afternoon filled with some fun competition.

Loveable Llamas Sharing the Love on February 10th

During the week of Valentine's Day, a little extra love arrived on four fuzzy feet. The Loveable Llamas from Carlson's Loveable Llama Farm paid a special visit, delighting everyone with their gentle charm and curious personalities. Guests learned all about these fascinating animals – from their soft, luxurious fiber (which is spun into beautiful yarn) to their unique habits and heartwarming temperaments. There were smiles all around as stories were shared and questions answered. The highlight of the visit? Photos with the stars of the day, Mocha and Cocoa. Residents and staff alike had the chance to stand beside these sweet llamas, capturing memories filled with laughter and joy. With their calm nature and expressive faces, Mocha and Cocoa seemed to enjoy the attention just as much as everyone else – proving that love sometimes comes with long eyelashes and a whole lot of fluff.

Planting the Seed for Gardening Assistance

At Mount Olivet Careview Home, sunny days are something special. With three beautiful patios blooming with flowers and fresh air, our residents and their families have lovely spaces to relax, connect, and soak up the warmth of the season. Many of our residents take pride in tending the flowers and planters that brighten these outdoor spaces. Gardening isn't just about watering and weeding – it's about nurturing, sharing stories, and enjoying the simple joy of watching something grow. Interested in planting seeds of joy with us? For more information or to get involved, please contact Heidi Opitz, Director of Therapeutic Recreation, at 612-821-3175 or hopitz@mtolivethomes.org. *We'd love to welcome you to the garden.*

Bingo with an International Flair

On Saturday, February 14th, 11 international students from University of Minnesota paid a special visit. Originally from Saudi Arabia, the students are pursuing degrees in Chemical Engineering and, during their time in the United States, are encouraged to share their talents and time through volunteer work. What began as a simple activity quickly turned into a joyful cultural exchange. The students joined residents for a lively game of Bingo – an experience that was new for several of them. With playful determination and guidance from seasoned resident players, the students eagerly learned the ropes, discovering that Bingo is about far more than numbers on a card – it's about connection, camaraderie, and a little friendly competition. Mount Olivet Careview Home proudly opens its doors to students of all ages and backgrounds, celebrating the meaningful moments that happen when generations and cultures come together.
