## Special May Happenings

### Celebrating Mother’s Day on May 9th

The Mount Olivet Homes Therapeutic Recreation Department will be hosting an Open House in honor of Mother’s Day on Saturday, May 9, from 10-11am in the Lund Chapel. Family Members and Friends are invited to escort their special Resident Mother’s, Grandmothers, Aunts, and Friends to the Chapel to celebrate this day with light refreshments and entertainment.

Bring your love and smiles as you escort and accompany your special resident for a morning filled with joy, laughter, and light refreshments. Delight in sweet treats and uplifting entertainment as we celebrate the wonderful women who make life so beautiful.

### Celebrating National Skilled Nursing Care Week

**Monday May 11 • Popcorn Party** with the Social Services Department in the Corner Café on first floor from 1:30-3:30pm. Everyone is invited to stop by for a bag of popcorn and visit with our Social Workers.

**Tuesday May 12 • Smile and Say “Cheese”** – photo op with the Nursing staff in the Lund Chapel from 2-4pm.

**Thursday, May 14 • Facility Wide BINGO** with Armatage School Students in the Lund Chapel and Mount Olivet Home Dining Room at 10am.

**Friday, May 15 • Ice Cream Truck** visits from 1:30-3pm outside the Careview entrance under the portico. Everyone is invited to enjoy an ice cream treat. Escorts will be provided by all departments for our Residents. Family members are also encouraged to bring their loved ones and enjoy a treat from the good old days!

## Thank you Mount Olivet Volunteers

Last year, volunteers at Mount Olivet Careview Home served more than 4,500 hours, interacting with residents, assisting staff in programming, and overall creating positive experiences and vibes throughout the building. Mount Olivet Home, Mount Olivet Careview Home and Mount Olivet Day Services could not be the top-tier providers of senior care and services without the invaluable help and partnership of our volunteers! We celebrated our volunteers during the week of April 19th with special treats and gifts.

If you or someone you know would like to join our volunteer team, please contact Laurie Hancer, Volunteer Manager at [lhancer@mtolivethomes.org](mailto:lhancer@mtolivethomes.org) or 612-821-3232

## Adopt a Grandparent Program – Painting and Planting

On Monday, April 13th, an intergenerational program was held with the Adopt a Grandparent Program students from Mount Olivet Church and the Mount Olivet Careview Home residents as the together they were able to get ready for summer with flowerpot painting and planting. The residents appreciate the twice monthly visits and special programs and activities with the students from the Adopt a Grandparent Program. Intergenerational programs offer seniors profound benefits, including reduced loneliness, improved cognitive health, and enhanced physical activity. By connecting with younger generations, seniors gain a renewed sense of purpose, boost their self-esteem, and break down ageist stereotypes, leading to better emotional and mental well-being. For the youngsters, regular contact with seniors reduces fear of aging and corrects negative misconceptions, fostering respect for older individuals. The Adopt a Grandparent Program concluded the year with a talent show for the residents on April 27th. The students will be returning again in the fall.

## Chapel Strings Concert

Chapel Strings has been part of the Twin Cities music scene for over 60 years. Currently composed of about 30 musicians (violins, violas, cellos, basses, 1 or 2 flutes, and piano), our repertoire consists of both classical and popular music selections. Mount Olivet Careview Home has been fortunate to have them perform for our residents in the past.

Our residents were able to gather in the Lund Chapel on Monday, April 6th at 7pm for a wonderful concert once again. Many thanks to the talented musicians who are a part of Chapel Strings for sharing your musical talents with our residents.

## Mount Olivet Careview Home Remodeling Update

Construction continues at Mount Olivet Home with the 4th floor nearly completed and 3rd floor well under way. Upon completion of the 3rd floor, construction will begin on the 2nd floor. The nursing and therapeutic recreation staff have done a great job in making sure that the residents have not been negatively affected by the construction, by offering additional programs, taking residents for walks, and staying engaged with them with conversation. Many thanks to Kraus Anderson Construction for all their work in moving this project forward.
