Horses and Goats and a Gopher Oh My!

September will be a very busy month with many furry visitors here to spend time with our residents.

We are looking forward to a visit from the horses from the Silver Buckle Saddle Club on September 20 where we have horses visiting out outside the Careview entrance on 55th street. Residents will have a chance to see and pet the horses and learn about them. The baby goats will be back again this year on September 10 in the Lund Chapel looking for hugs from our residents, and finally on September 17, Goldy Gopher from the University of Minnesota will be here to celebrate a Golden Gopher Tailgate party as the Gopher's football season will be kicking off. We hope you can join us for the festivities!

Welcome to Terell Roberts

Mount Olivet Careview Home is pleased to welcome **Terell Roberts** as our new Associate Director of Engineering.

Terell was previously Director of Maintenance Operations at Global Point Senior Living. He has a degree from Dunwoody Institute in Industrial Engineering. He lives in the neighborhood and is excited to be a part of the Mount Olivet team. *Welcome Terell.*

Service of Remembrance

After some discussion and reflection, the decision has been made to change the monthly Service of Remembrance to the second Monday of each month to allow families of those residents who have passed at the end of the previous month to have some time to prepare and plan to attend the service.

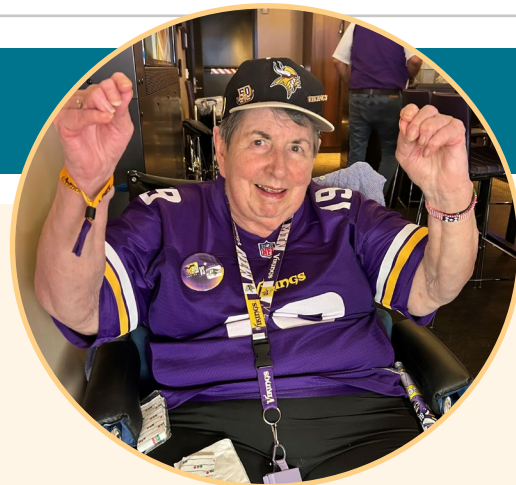

The September Service of Remembrance will be on Monday, September 14 at 3pm in the Lund Chapel.

A Busy Month of Resident Outings

The Therapeutic Recreation Department at Mount Olivet Careview Home does a wonderful job in getting residents out into the community for many special outings. August was a particularly busy month. Thanks to the staff and our wonderful volunteers, residents were able to enjoy outings to Red Lobster, The Game Show Experience in St. Louis Park, and a Minnesota Vikings preseason game.
